Biblical Vocabulary of the language of Dreams, Visions and Prophecy

Biblical vocabulary and language of the Spirit

Biblical vocabulary for the language of dreams, visions and prophecy is that which is used in the Bible. The Old Testament scriptures are steeped in the language of symbolism, metaphors, typologies, analogies, allegories and parables which are of the language of dreams, visions and prophecy. This is also true of the parables of Jesus and of the book of Revelation.

In this eBook I am listing some of the Biblical vocabulary of the language of dreams, visions and prophecy that Daystar Ministry in Australia has encountered. The interpretations of the Biblical words are just some of the possibilities. This list is only to help you grow and develop in the ministry of dreams, visions, prophecy and their interpretations. The Holy Spirit is the one you can safely trust to guide you into all the truths of the dreams and visions of God. The Lord may use both the vocabulary of the Bible and your own personal vocabulary to speak to you in dreams and visions.

Some common Old Testament examples

Everything has meaning in the chosen things of God.

The above examples of biblical vocabulary should give us an idea of the way in which God uses visible things that are made to represent spiritual truths in the kingdom of God. A study of the Tabernacle will show that everything about it had a profound meaning. What it was made of, the different rooms, the furniture, the colours and even the size and measurements of the building and the rooms are all significant.

Being able to extrapolate from God's use of things that are made to speak to us in dreams and visions is vital to our walk in heavenly communion. The spiritually minded will hear and more will be given (Mt.13:12, 16-17).

"For whosoever hath, to him shall be given, and he shall have more abundance: but whosoever hath not, from him shall be taken away even that he hath" (Mt.13:12).

The carnal and naturally minded will regard the symbolic and metaphoric language of dreams, visions and prophecy as foolishness (Mt.13:13-15).

"But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned" (1Cor.2:14).

In His parables, Jesus used the life, environment, sociology and culture of the people of the time to speak of the spiritual things of heaven. This was also true of all the prophets of the Bible, both in the Old Testament and also in the New Testament. In the same way, God would use our own lives, environment, sociology and culture to speak to us in dreams and visions. Because the Lord would use the uniqueness of our life, environment and culture when He speaks to us in dreams and visions, we may call this our personal language of the Spirit. As we grow and develop in the communion of God in dreams and visions, we will also grow in our familiarity with the personal language of the Spirit that God would use to speak to us.

A mode of transport in the time of Moses and in the time of Jesus was the donkey. In our present culture God may not use a donkey but a car or even an airplane when He is referring to a mode of transport. The donkey belongs to the era of Biblical vocabulary whereas the car and plane belong to the period of twentieth century vocabulary. Instead of using the sword, spear, bow and arrow to represent things of warfare to us in the twentieth century, the Lord could alternatively use guns, bombs and missiles.

The school that you went to as a child may often come up in your dreams to represent the church or denomination that you first attended. The school may also represent the church you are now attending. The connecting thread for spiritual perception here is the fact that the school was our home of learning and our home church is our home of spiritual learning. A hospital could represent a church that is involved in healing and in caring for people. A warship could represent a church that wars against others in things like criticism. Your Dad or your pastor in a dream could represent your heavenly Father. A natural sister in a dream could represent a spiritual sister from your local church.

A vehicle which can take you from place to place could come up in your dreams to represent your ministry which could also take you from place to place. A bicycle could speak of a small ministry whereas a bus would speak of a large ministry. A four wheel drive vehicle would speak of a groundbreaking and powerful ministry, whereas a train could speak of a great movement of the Spirit of God in the churches.

Buildings are often used to represent churches and our homes may represent our local church. We remember from the Tabernacle and Temple of God that every aspect of the house had a purpose and a meaning. The basic rooms and parts of a building also have purpose and meaning in dreams. The kitchen is the place for cooking meals and so it could represent the place of preparation for teaching and preaching. The dining room, which is the place of feeding, could stand for the actual ministry of teaching or preaching. The bedroom with the bed is the place of rest and it could represent the place and ministry of dreams and visions. The roof, the glass window and the veranda could speak of revelation. The Lord may use both the vocabulary of the Bible and your own personal vocabulary to speak to you in dreams and visions.

The following list of examples of personal vocabulary should help you in understanding the Language of the Spirit. The list should also help you to begin to interpret your own dreams and visions from God. Keep in mind that it is The Spirit of God who will guide you into all the truths of dreams, visions and prophecy. This book will help to lead you into the direct discipleship of The Holy Ghost.

Who are we?

Louwrens and Hettie Erasmus are two people called by the LORD to make a difference in the lives of others. Hettie has been doing counselling for almost as long as she can remember, and has studied both formally and informally. She is still lead and taught by the Holy Spirit on a daily basis in her ministry.

Louwrens, that’s me, is the person who wrote all the books and articles you will find on our website and on Amazon, Kindle and Smashwords. Unfortunately for myself, I am suffering from Carcinoid cancer, a slow growing but devious cancer. We are raising funds to fight this Carcinoid cancer I am suffering from in order for me to survive. After 21 years of fighting, our finances are depleted and we have no more resources to fight this cancer on our own any longer and have started a fundraising project to help us in this fight as I am no longer able to do any “real” work. Writing is not a real work to me but a commission from the LORD. You can contribute at any of the following places. The first place is directly at our payment processor who also handles all our transactions from our website, which has been virtually nonexistent. Their page is at

The following books can be downloaded for free from our site:

**The Book of Moses.** This is a complete guide for any Christian explaining the way of a Christian, and answers most doctrinal questions, questions you have in your everyday walk with the LORD, on the end times and what heaven will look like, as well as questions about Church. Download link [here](https://www.payfast.co.za/donate/go/shamaministries)

**Is Egypt in Heaven?** The book is based on a time in my life when I received major surgery in my fight against Carcinoid cancer, and had a near death experience. Some sections are based on the truth, and some is fiction to explain what heaven will look like. Download link [here](https://www.payfast.co.za/donate/go/shamaministries)

**A Wake Up Call.** The book examines the doctrine of election, and then draws on the result to explain the effect on our everyday life. Download link [here](https://www.payfast.co.za/donate/go/shamaministries)

**Evidences of a Christian.** Do I have to exhibit a different lifestyle as a non Christian, and if so, what should it be like? Download link [here](https://www.payfast.co.za/donate/go/shamaministries)

**The Covenant of Righteousness.** This book does a detailed study of what the Covenant entails, what Jesus came to fulfil and then describes all the ramifications on all the various doctrines of today. Download link [here](https://www.payfast.co.za/donate/go/shamaministries)

**The Revelation of John Revealed.** This book takes a completely different approach to how to interpret the book of Revelation. It uses as a basis the exact same lessons that are described in this book using Israel as our example, and then what the affect this has on our
Dreams and Visions

views of this book today. This book is absolutely different from anything you have read or heard. We have to remember that all the current viewpoints started somewhere in the Roman Catholic Church and was modified or still viewed as the only view. They leave Israel as example completely out of all interpretations. Download link here.

The Olivet Discourse – A description of the message about what will happen from the time of His death until the time He returns. I also look at how He will separate His sheep from the goats. You can download it from here.

On a trot through Romans – In this book I tried to publish a non partisan view of how to interpret the Letter to Romans. This does not mean that I do not ignore incorrect interpretations, but I spend a lot of time on those part that both John Calvin and then another part that John Darby spent time on and completely missed the boat. I trust that you will also accept it in this light. You can download the book here.

Jews – Church or Nation? In this short booklet I look at the reference to Israel in the Old Testament to find out if they were seen as a congregation of the LORD’s people, or as a nation. There are so many antichrist messages found in the Church today, and I believe that this information will shock you as it shocked me when I looked at the subject. This is also possibly the biggest stepping stone used by the antichrist doctrine of the rapture. You can download it here.

Books by other writers that can also be downloaded from this site include a book about the biblical interpretation of dreams and visions. Download link here. I also have an old windows help file that cover dreams and visions, but can only run on PC’s still running Windows 7 or older. The link is here. Another book I referred to in some of my writings is The Epistle of Barnabas written by Mark. Download link here. You will also find a book that I have used as part of our Bible School here.

Other article that you will find on my website are as follows:

**DVD's** Some of the books have also been recorded as DVD's. These DVD sets contain most of the information in the book with the same name, but some points are expanded upon and it also includes a section on my life with Carcinoid cancer and the effect on my daily life. These DVD's are available in HD format and can be requested by sending me an email at louwrens at shama dot org dot za. The cost per set is R400 and is sent via speed couriers post office to post office service.

**YouTube** All the DVD's that I recorded of some of these books are also available on my YouTube channel at [https://www.youtube.com/user/LouErasmus](https://www.youtube.com/user/LouErasmus)
